THE QUEEN'S PLATINUM JUBILEE 2022

1 Bench
with 2 Guelder Rose bushes

2 Apple Trees
- Queen's Cox or Crab Apples

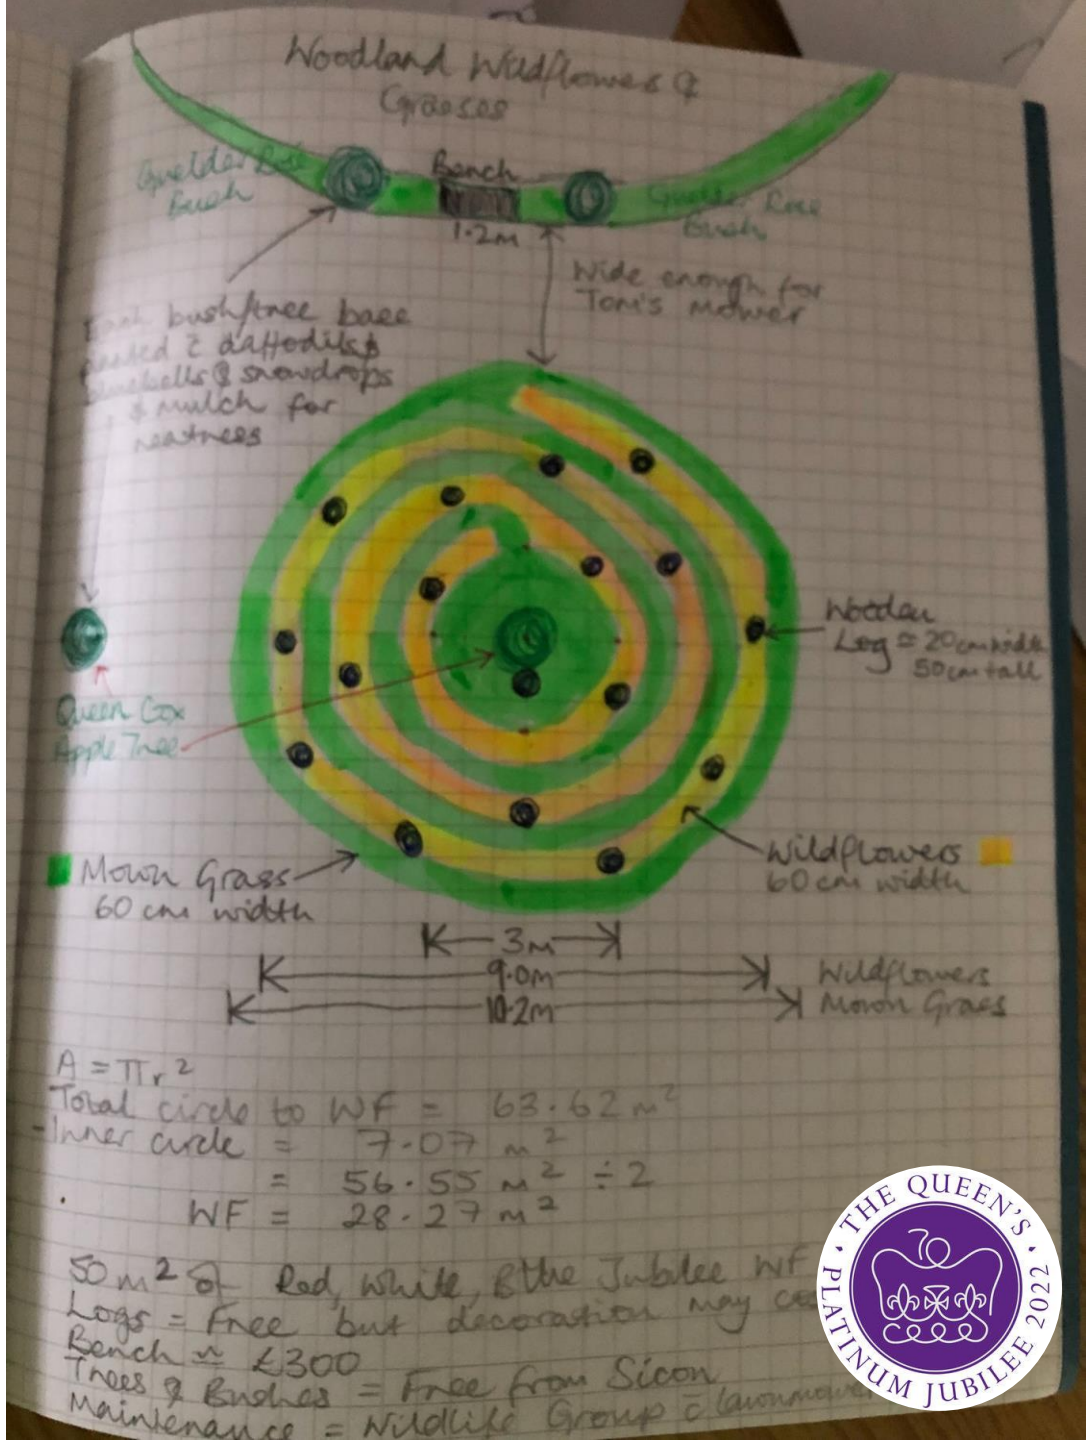

1 Spiral of Wildflowers with 15 decorated wooden logs
- 10.2m diameter

More detailed plan of the spiral

The spiral will be set away from the bench so the Ground Maintenance Team can mow easily around it.

For neatness a mown area will also be put around the spiral and Woodland Grass area under the Silver birches. The long grass area north of the Silver Birches will not be present to enable the spiral area to exist.
